

GRANDE COLONIAL

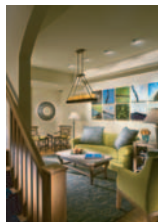

LA JOLLA ∞ EST. 1913

LITTLE HOTEL BY THE SEA & GARDEN TERRACE SUITES

The Little Hotel by the Sea & Garden Terraces celebrated their grand openings in 1925 and 1926, respectively. Throughout their history, the hotels have gone through several changes, owners and names. But they have always been regarded as community landmarks.

Both properties have recently taken another stride forward having undergone a major renovation and being restored to their original glory. The 8-suite Little Hotel by the Sea & 10-suite Garden Terraces are now an extension of the also historic Grande Colonial.
