CATERING MENUS

GENERAL CATERING INFORMATION

FOOD & BEVERAGE MINIMUM

There is a food & beverage minimum for each private dining room (exclusive of tax and gratuity). Our Catering department will design a menu based on your needs to help you reach the food & beverage minimum. Should the food & beverage revenue fall short of the minimum contracted, the difference will be charged to the final bill.

FINAL GUARANTEE

The catering office must be notified 3 business days prior to your function with a guaranteed number of attendees. The number will constitute a guarantee and you will be charged accordingly. In the event that a final guarantee figure is not supplied, the estimated number of attendees will be your final guarantee. The engager will be charged for the number of meals served or the number of meals guaranteed, whichever is greater.

FOOD & BEVERAGE CONSUMPTION

Due to state and local ordinances, all food and beverages must be consumed on the premises and purchased solely through the Grande Colonial.

SPLIT MENUS

For plated events, if the guest count is 25 or less, guests may have a choice of two entrées during the event. All other course items must be the same. If the guest count exceeds 25, the client is to select one entrée for all guests, or for an additional \$15 (++) per person, the client may order a dual entrée or have a choice of two entrées during the event. If the client provides pre-selected entrée counts two weeks prior to event, no additional fees will apply. All other courses must be the same for each guest. Client must provide place cards for each guest noting their name and symbol indicating their pre-selected entrée selection.

OUTSIDE FOOD & BEVERAGE

No food or beverage of any kind may be brought into the banquet rooms, with the exception of cakes and bottles of wine, for which a service fee will apply. (Current cake-cutting fee is \$5 per person, plus tax & gratuities; current corkage fee is \$35 per bottle, plus tax & gratuities.) Hotel regulations do not permit removal of food at conclusion of the event.

GRATUITY, SERVICE CHARGE & SALES TAX

The combined gratuity and service charge that is in effect on the day of the Group's Event will be added to Group's Master Account. Currently, the combined charge is equal to 25% of the food and beverage total, plus any applicable state and/or local taxes. A portion of this combined charge (currently 16%) is a gratuity and will be fully distributed to servers and, where applicable, bussers and/or bartenders assigned to the event and kitchen staff. The remainder of the combined charge (currently 9%) is a service charge that is not a gratuity and is the property of the Hotel to cover discretionary and administrative costs of Group's Event. Hotel will endeavor to notify Group in advance of Group's Event of any increases to the combined charge should different gratuity and/or service charge amounts be in effect on the day of Group's Event.

CUSTOM PRINTED MENUS

Upon request, we will provide custom printed menus for your event, which will be displayed at each place-setting. Cost is \$3 per menu, plus tax & gratuities.

MONDAY & TUESDAY BUSINESS OPERATIONS

Please be aware that due to limited food and beverage operations on Monday and Tuesday, some of our catering offerings are currently not available. Our Sales & Catering team will be happy to guide you through the options we are able to provide on those two days.
